Craft

Craft is inspired by hand-crafted, simple country wares made by generations of potters over hundreds of years. The range embodies the beauty of rich, lustrous glazes applied by hand, and celebrates chance effects and reactions which occur naturally in the kiln.

Emotion

The extraordinary design of the Emotion collection from Bauscher plays out in the 'smile' of its porcelain pieces. The varied intensity of the curves alludes to a smile, creating a friendly bridge between the different depths of the pieces.

Estrella Collection –
Traditional Terracotta

A collection of authentic Terracotta, made in Spain, all pieces are suitable for the traditional cooking of tapas, and can be served straight to the table to offer customers an authentic Spanish experience. Suitable for traditional ovens, microwaves and freezers, Terracotta is naturally fragile and should be handled with care. It is also naturally porous; therefore submerging in water should be avoided.

Modern Rustic

BAUSCHER

Every piece feels unique. The smooth lines give each hand painted surface its own character, while the subtle aesthetics deliberately avoid nostalgic references. It translates a coarse texture and rustic style into a modern interpretation which satisfies those with a longing for the authenticity. The in-glaze decoration, ensures that the glazed surface enjoys the same resistance characteristics to marking, scratching and fading as associated with Bauscher white porcelain.

Retro Blue

The Retro Blue collection is striking, with a laid-back nostalgic edge that brings ceramic lines to life with a band of cobalt blue. Inspired by traditional enamelware combined with soft coupe shapes the width of the band has been increased to work with the lines of the shapes and create statement tableware.
